Dear Dr. Orr:

Thank you for your letter of March 22, and for the enclosure setting forth the position of Dr. Austin R. Meadows, a candidate for the position of State Superintendent of Education. We shall be very glad to give your letter and the information concerning Dr. Meadows the consideration which they deserve. At the present time, we are not yet in position to make any commitment to any of the candidates. Later, we shall make our preference known.

I had hoped that I would have seen you in Birmingham on yesterday morning.

Wish best wishes, I am,

Sincerely yours,

C. G. Gemillion  
Dean of Students
